

2010 Commemorative Health Advocacy Award

The **SHEC Commemorative Health Advocacy Award** was established in 2004 to honor SHEC members who have passed away through recognition of the health educators of the future. This award is presented to a student studying community or public health in West Virginia who has demonstrated leadership in both service and scholarly activities, while actively exemplifying a healthy lifestyle. SHEC membership is encouraged, but not required.

2010 Health Advocacy Award

The Health Advocacy Award is designed to recognize an individual, organization, or community that has demonstrated leadership in developing and implementing an innovative health promotion or health advocacy project. While limited to West Virginia projects, the award recipient need not be a member of SHEC. The project must actively support a healthier lifestyle through health promotion and disease prevention strategies.

2010 Karen R. King Distinguished Service Award

The Karen R. King Distinguished Service Award is an honor given to a SHEC member, selected by the past three recipients of the award. The criteria for recipients is based upon service and contributions to SHEC for a minimum of three years; plus professional activities related to health promotion; and public service to the community.

The criteria for the award should be weighted and includes: Outstanding service and contributions to SHEC for three years or more (50%); professional activities--especially those related to health promotion (35%); and public service to the community (15%).

Past Recipients
Karen R. King Distinguished Service Award

Karen R. King was an active member of SHEC. She was a vivacious woman, dedicated to improving the health and lives of West Virginians. Karen died from a fall while hiking in Holly River State Park in 1989. She epitomized health promotion in this state, and it is in her memory that we recognize an individual for his/her service to SHEC and accomplishments in health education and promotion.

1989	John R. Carlson
