

THE STATE HEALTH EDUCATION COUNCIL OF WEST VIRGINIA

Presents our 31st Annual Conference: Health: A Lifelong Habit

April 11 to 13, 2010 at The Ramada, South Charleston, West Virginia

REQUEST FOR PROPOSALS

The State Health Education Council of WV (SHEC) is pleased to announce our 31st annual conference. We are seeking proposals for concurrent sessions to be held on April 12 and 13. This year's conference is designed to meet educational and professional development needs of 21st century health professionals. If you are working in health care, public health, health education or nearly any related field, you likely touch upon several health subjects in your daily work. And, the recipients of your work can be in one or more age categories, but often share a similar need or health concern with another demographic. This year, we hope to highlight conference topics as they arc through the span of life. The broad categories are divided into five age groupings: early childhood; young adult; middle-age; pre-retirement; and older adult.

The deadline for submitting proposals is Monday, March 1, 2010. You will be notified via email by March 19 of your inclusion into the program.

Each concurrent session will be 75 minutes in length. Presenters may submit an abstract for one or more sessions. Those interested in presenting a workshop are asked to forward the following information to Birgit Shanholtzer, 2010 Conference Speaker Chair, using the form on the following page.

- ✓ Presenter Name and Credentials (preferred listing on agenda)
- ✓ Presenter Affiliation and Contact Information
- ✓ Presenter Bio (not to exceed 200 words)
- ✓ Presenter Curriculum Vitae
- ✓ Workshop Title and Description (not to exceed 300 words)
- ✓ Workshop Learning Objectives (3 maximum)

We look forward to another dynamic and successful conference. Our goal is to give each attendee several take-away concepts, links to programming, and partnering opportunities that will help them improve delivery of services or maximize resource allocation.

Submit one copy of your proposal via mail, fax, or email to the Conference Speaker Chair. If you have any questions, please contact this year's Conference Speaker Chair:
